The "RP" model consists of a normal EZ-9000GR attached to a base which holds the "RP" assembly.

The following are the only parts available for the "RP assembly

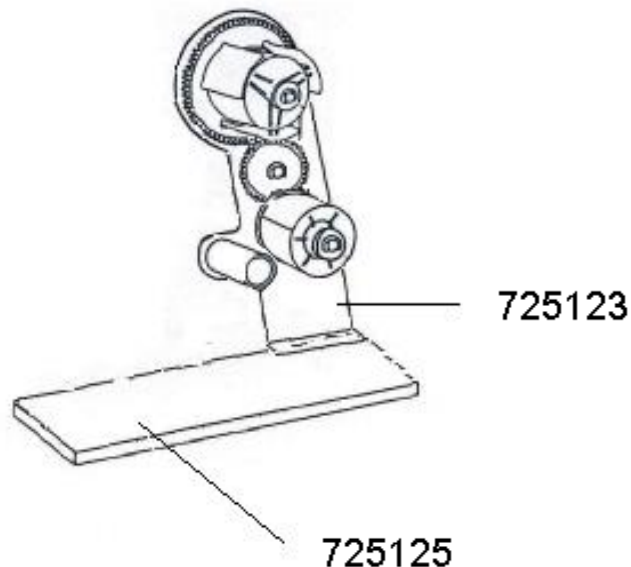

#915850 RP Kit, Includes;

#725123 Bracket RP Stand, attaches bobbins to the base.

#725125 Base RP Stand, attaches the bracket to the dispenser.

#725127 Bobbin Assembly, includes all plastic parts and hardware to mount the plastic parts to the bracket. These parts will come attached to a red metal bracket that will be discarded.

NOTE Individual plastic parts or hardware not available separately.
